CODE OF CONDUCT

Australians relish sport and they respect winners. The struggle for victory is an essential element of sport. But even more important than winning is the spirit of sporting competition. Children and adults enjoy participating in sport, learning new skills and putting them to the test. Striving to be the best is important but it is not the only reason for competing.

BJP encourages all members and their families to be good sports. We aim to ensure that everyone gets a fair go and has fun. We believe in equity for all our members and we respect the rights, dignity and worth of everyone. Here is our code of conduct.

MEMBERS' CODE

- Enjoy yourself and have fun.
- Respect the dignity and worth of all members regardless of their ability, size, appearance, age or cultural origin.
- Treat all members as you would like to be treated.
- Show respect for and co-operate with your teachers and other officials. Without them there would be no competition.
- Pay the annual registration fee to BJP for the right to learn the syllabus, whether you participate in competitions or not.
- Be humble when you win and graceful when you lose. Don't seek excuses or blame the judges or your teacher when you don't win a prize but aim for self-improvement.
- Do not criticise other members, competitors, teachers, judges or clubs.
- Be a good sport. Applaud other competitors whether they are from your club or another.
- Work equally hard for yourself and your team. The team will benefit and so will you.
- Be loyal to your club and to BJP and support them in the wider community.
- Do not engage in any communication, either verbal, written or on social media, that negatively impacts upon, causes harm to or makes another person feel unsafe.

PARENTS' CODE

- Encourage children to participate, don't force them. Remember that children participate for their own enjoyment, not yours.
- Focus on the child's efforts and performance rather than on winning a prize.
- Respect the dignity and worth of all members regardless of their ability, size, appearance, age or cultural origin.
- Never ridicule or yell at a child for making a mistake or for not winning a prize.
- Remember that children learn best by following your example. Applaud all competitors, not just those from your club.

- Show appreciation for teachers, officials and judges. Without them your child could not participate.
- Respect the judges' decisions and teach children to do likewise.
- Address conflict openly, honestly and respectfully.
- Do not engage in any communication, either verbal, written or on social media, that negatively impacts upon, causes harm to or makes another person feel unsafe.

SPECTATORS' CODE
